Projects

Owley AI Flashcards - [[App Store](#)]- Personal Project. Swift, SwiftUI, MVVM, Firebase Firestore, SDWebImage, OpenAISwift, RevenueCat, Apple In-App Purchases

iOS Developer

08/2023 - Current

- Developed an iOS application designed using the MVVM architecture.
- Implemented user authentication using Firebase Authentication that includes signing up, signing in | out and deleting the account.
- Integrated Firestore Database for storage and retrieval of user study decks and flashcards.
- Utilized SDWebImageSwiftUI for image display and caching. This feature enables users to upload images for flashcard questions and answers.
- Integrated OpenAI API to provide users with a feature to retrieve answers from OpenAI LLM for their questions, facilitating the creation of question-and-answer style flashcards.
- Ensured full responsiveness and compatibility across iPhone and iPad devices.

QuizCard Flashcards Maker - [[App Store](#)] - Personal Project. Swift, SwiftUI, MVVM, UserDefaults

iOS Developer

02/2023 - 07/2023

- Developed 'QuizCard Flashcards Maker', a user-friendly and intuitive flashcard making application using SwiftUI.
- Successfully launched the app on the App Store, achieving over 500 downloads.
- Implemented UserDefaults for efficient local storage of user study sets and flashcards, offering a reliable and personalized user experience.

Contributions

Basic-Car-Maintenance - Hacktoberfest Open Source Project [[Github](#)] 10/2023 - Ongoing

- Developed the 'editOdometerReadingView' feature, enhancing the user interface by integrating a swipe action into the 'OdometerView'. This action reveals an edit option, guiding users to the 'editOdometerReadingView'.
- Implemented functionality allowing users to update the odometer reading.

Other Experience

Staff Accountant | Accounting Analyst

Zinc Collective, LLC, Los Angeles, CA

04/2020 - 04/2022

- Managed full-cycle accounting tasks including General Ledger maintenance, payroll journal entries, month-end reconciliations, and creation of comprehensive financial reports for executive review.
- Handled Accounts Payable operations for 20-60 invoices monthly using Bill.com and QuickBooks Online, ensured compliance in documentation, and effectively processed payroll for up to 230 employees, resolving tax discrepancies.

Accounting Associate

Veritas Accounting, PC Sacramento, CA

06/2019 - 11/2019

- Managed both Accounts Payable and Accounts Receivable for diverse small business sectors including construction, marketing, education, logistics, and insurance, ensuring accurate financial operations.
- Conducted thorough bank reconciliations across checking, savings, and credit card accounts, handling up to 15 distinct accounts with precision and efficiency.

Education

Swift.org Mentorship Program

Remote 06/2023 - 09-2023

Program Overview:

- Engaged in a 3-month one-on-one mentorship, focusing on comprehensive guidance in computer science and iOS application development.
- Received direction and insights from an experienced iOS engineer mentor on a range of topics including Swift, SwiftUI, UIKit, unit testing, algorithms, and best practices in iOS development.

UnderdogDevs.org Mentorship Program

Remote 10/2022 - Current

- Participated in weekly one-on-one mentorship sessions with an experienced Lead iOS Engineer, focusing on algorithmic problem-solving, personal project development, and mastering iOS development best practices.
- Gained in-depth understanding of MVVM architecture, Swift, iOS frameworks, Git, and GitHub through guided learning and practical application in personal projects.
- Benefited from comprehensive mentor guidance on iOS development, including finding and utilizing online tutorials and resources, and extensive support in algorithmic challenges and project development.

Fulbright Program - FLTA

University of Georgia in Athens, GA 08/2015 - 06/2016

- Awarded the prestigious Fulbright Scholarship under the Fulbright Foreign Language Teaching Assistant Program, which enabled me to audit an extensive range of courses at the University of Georgia in Athens, GA, including Business Administration, enriching my academic and professional expertise.

Bachelor's degree (Education | Linguistics)

Uzbekistan State World Languages University 09/2007 - 06-2011

- Graduated with a Bachelor's degree in Linguistics and Education from an international university, showcasing a strong foundation in linguistic theory and educational methodologies.
